3. 5) According to Art 64 of M. S. R, Govt may if it thinks fit, suspend the lien of an officer who is transferred to duty of a permanent kind either in Foreign Service, or if in Mysore Service, such that he retains no connection with his own appointment, ~~in his own appointment~~ and fill up that appointment substantively, reserving only the right to reverse the arrangements thus made in case the absent officer at any time reverts to his original appointment.

6) If the lien of the officer is suspended under this Article, the officer counts Service in the quasi permanent appointment he holds at the time for pension and his locum tenens counts Service in the P.P. appointment that he holds. (Vide Article 237A of Mysore Service Regulations)

7) It does not appear to be necessary to make provisionally permanent arrangements against the temporary posts lasting for more than 3 years, as the officer can count Service in the quasi permanent appointment for purposes of pension under Article 237A and ~~Emoluments~~ in the temporary appointment under Article 322 (c).

8) It is enough if under Art 64, the Heads of Departments specified under Appendix 'O' are permitted to suspend the lien on the substantive appointments & make provisionally permanent arrangements in the consequential vacancy, the power of making provisionally permanent arrangements in temporary

NOTE—Contn. Sheet

appointments lasting more than 3 years being vested in Government alone.

8. The suggestion of the Comptroller and Auditor is that the powers vested in Govt. under Art. 64, M.S.R. may be delegated to Heads of Depts. in respect of non-gazetted offices. This would enable the Heads of Depts. to suspend the lien of subordinate officers who have been transferred to duty of another kind for a period of not less than 3 years & make fresh arrangements.

Such a delegation is contemplated in the Govt. of India C.S.R. & its adoption here would minimise reference to Govt. & save time & correspondence.

This may be referred to the Dept. Office who is to be posted for revising & simplifying the M.S.R.
